

Discover your perfect “fit.” Attend a FREE **CarFit** Checkup!

CarFit is a FREE, interactive and educational program that teaches participants how to make their personal vehicle “fit” them to increase safety and mobility when they hit the road.

- ⇒ Review 12 key areas of your fit to your car such as adequate space from the steering wheel, proper seat belt use, and properly adjusted head restraints.
- ⇒ Learn how to use and adjust your safety devices.
- ⇒ Each checkup takes about 20 minutes—this is not a driving test or mechanical inspection.

To schedule your 20-minute appointment, please call or email the contact on the right. Appointment spaces are limited, so don't wait!
